

Can science
be FUN?

What does an
engineer actually
DO?

WHY DO I NEED
TO LEARN MATH?

GET READY TO BE INSPIRED

On Friday, February 23, 2018
The JA STEM Summit is coming to our school!

The entire 10th grade class will participate in a day of competitions, experiments, and career panels designed to show YOU the fun & excitement of STEM careers.

An awesome finale concludes the day. You won't want to miss it!
