5. Report from Athletic Director

Our Winter Athletic Teams Partnership with BSHS Mini-Thon during the 'Black Out' Events raised \$2827.00.

Our Girls Basketball and Cheerleading Teams hosted the first, National Girls and Women in Sports Day on Youth Night last evening. We welcomed 50+ youth girls from community programs in the inaugural 'Girls in Sports Day' event.

Our Wrestling Team will be heading to Cumberland Valley High School TOMORROW, for a match up against Bishop McDevitt for the District 3 Championship. Match time is 3:30 PM and the contest will be held in their DOME.

Our Girls and Boys Swim Team just completed a PERFECT regular season, 12-0. They prepare for post season action which will kick off on February 11th in the Mid Penn Conference Championships.

Our Cheerleading Squad heads to compete at Nationals on February 11th-12th, held at Disney's Wide World of Sports in Florida. They will compete in the Medium Varsity Non-Tumbling Game Day Division.

Our Boys Basketball Team currently ranks #7 in the District 3 Power Rankings. District 3 Championships are scheduled to begin February 21st and hosts the Top 10 4A Ranked Schools. Championship brackets and rankings are set to finalize following regular season competitions, February 11th.

Our Bocce Team is preparing to host the Mid Penn Conference Championships on Dieter Court. The event will welcome Bocce Teams from the Mid Penn Conference on February 23rd (more to come!).

Our Athletic Department is preparing to host a 'Signing Day' event on February 15, 2022. Student-athletes committed to pursue their academic endeavors and athletic passions at the next level will be celebrated (more to come!).

6. Report from Band Director

- Winter concerts coming real soon

7. Report from Theater Arts

- Winter Wizard of Oz next month

8. Report from Clubs

Dr Hain identified to us that the new schedule will allow for the clubs to have participation by all students over the course of the new schedule vs. only those that had free time from other required classes and catch up from absences and other classes.

9. Report from YBMS Principal

Dr White identified to us that all YBMS activities are going well.

Sports is going very well and they kids are enjoying themselves and active in extra curricular events.

Academics is as equally going well, that he has seen and heard very good things from the teachers and parents thus far. He went on to say that the attention to safety is primarily at lunchtime when students are not masked up.

10. Report from BSHS Principal

Much like Dr White's report, Dr Hain's report was very similar.

Dr Hain identified to us that all BSHS activities are going well.

Sports is going very well and very successful during the winter sports programs. The athletes are putting in a lot of hard work, the other students are very supportive of them as well as the teachers and parents.

Academics is as equally going well, that he has seen and heard very good things from the teachers and parents thus far. He went on to say that the attention to safety is primarily at lunchtime when students are not masked up.

11. Community Questions / Concerns

- please state your name, address and phone # for the record
- there is a five (5) minute time limit
- this is a professional meeting and I ask that we discuss your question/concern in a gentleman/lady like manner. We will listen to your question/concern but may elect not to answer it this evening. I or someone from our team will make every attempt to discuss this question/concern with you in the next 24-48 hours.
