

CONTACTLESS Cafeteria Purchases made easy!

All students are required to have their Student ID number/barcode with them to make cafeteria purchases to allow for safe and quick transactions at the cafeteria registers.

UH OH! Forgot your student ID??? Don't worry! You can access your student ID barcode through your SchoolCafe account.

Any student with a smartphone will be able to access their Student ID barcode via the SchoolCafe app. Students just need to set up their account in SchoolCafe in order access their Student ID barcode to have scanned at the register.

1. Go to www.schoolcafe.com/SouthMiddletonSD to get started.
2. Select "create a new account"
3. Select "I'm a student at this District"
4. Enter the name of the school the student attends
5. Fill in required demographics to create the account
6. Create a password and security questions and choose language
7. Accept terms and conditions, certify age
8. Create your account!
9. Then click on "connect to my cafeteria account" icon → 
10. Enter your student ID, date of birth and last name, then "find my account"
11. If you are able to match up to your cafeteria account, you will see your name, picture and the ID barcode
12. If you cannot match up to your account, contact Jennifer Metz at the District Office at (717) 258-6484, ext. 2303 or by email at jfm@smsd.us for assistance
