Minutes for Technology Committee Meeting

Wednesday, March 29, 2023 at   6 pm

In attendance: Eric Berry (chair), Shannon Snyder, Brad Group (board pres.), Brandon Hall, Brian Ronan, and Jason Baker (Assist Super)

1) Mr. Ronan provided viewer statistics for streaming Curriculum Committee meetings which was being done on a trial basis. The committee recommends ending streaming the committee meetings due to low viewership.

2) The committee discussed the implementation of the Technology Fee. There has been a fair amount of confusion with parents why the fee exists and what it's for as well as some issues with the collection of the fee. The committee discussed ways to improve implementation and communication on the matter.

3) The committee was informed that we have opted in with CATPAC to handle some cyber security issues.

4) Board Room upgrades are in process.

5) Evaluation is being done on systems for classroom use such and projectors or smart boards.

Next Meeting is Monday June 26, 2023
